THAT IS "GOOD DAY?"—Although it looks strange to American eyes, the words that Irene Rydelek is showing means "good day" in Russian. Mrs. Rydelek is teaching an after-school club at South High School Russian on a pilot basis. If it proves successful, the course may be added to the SHS curriculum. Students shown are Bill Jensen, Susan Banigan and Gary Hand.

Mr. K. Would Feel Quite at Home in South High Club

If any top-level Russian visitor chooses to repeat Anastas Mikoyan's recent visit to the United States, there is a group of 15 South High School students who are hoping they will understand what he says—in his own language.

A newly-formed Russian Club at the school meets once a week after school to learn Russian. They are under the tutelage of Mrs. Irene Rydelek, SHS French and German teacher who also knows several other languages. If the program this spring proves successful and maintains student interest, a Russian class may be added to the South High program this fall, Principal Bruce Wagner reported.

The 15 students chosen for the club meet at 3 p.m. Wednesdays to get instruction. All of the students currently are taking either French or German and

are making at least a "B" average in the class.

Russian is not considered as easy to learn as the more commonly-offered French, German, and Spanish, since it has 32 letters, a variety of case endings not common in English, and uses the Cyrillic Alphabet, which is quite different from the English.

For instance, although the word "student" is pronounced nearly the same in Russian as in English, to the American reader it appears to be spelled "cmlydenm."

Mrs. Rydelek holds bachelor's and master's degrees from the University of Buffalo and is familiar with several languages. She turned down government and United Nations jobs involving her language training because she preferred teaching.

Classes in square dancing are being offered at the Harbor Hills Administration Building, 26607 South Western, Lomita every Thursday from 8 to 11 p.m.

PTA Board Meeting Held which were purchased with student body funds for the auditorium and teachers' room. The monthly board meeting of the 223rd St. School was held March 2 in the school auditorium. March 10 the PTA meeting will be a school demonstration. It will feature special classes in Reading, Posture, and Speech. Mrs. Eleanor Kennedy, principal displayed the new pictures

EYESTRAIN Is Often Caused by Ill-Fitting Frames

Poorly adjusted glasses frames are a leading cause of eyestrain, especially when eyes are used for close work. If you are conscious of rapid tiring when reading, drop in at our office the next time you are downtown. Let us straighten the frames of your glasses, align the lenses, and adjust the nosepieces without the slightest obligation on your part. It is unwise to suffer loss of eye comfort when a few minutes time can remedy the condition.

You are invited to consult us on ALL your optical needs—continuous vision glasses, blended lenses, TV glasses, sun glasses, the new plastic contact lenses.
